

Attention all Passengers

Effective **Monday, September 28** due to the excessive traffic delays, no 02 Belvidere buses will be servicing Central St. and E. Merrimack St. The bus will now proceed up Andover St. to High St. and then to Saints Memorial Hospital. This change will continue until further notice.

This change is due to the traffic conditions due to the repair of the Hunts Fall Bridge. We hope that this change will help alleviate the 02 Belvidere bus from running late throughout the day.

If you have any questions, please call (978) 452-6161.
